

# HOUSE OF WATER SPIRITS

MYSTERY HOUSE DESIGN COURSE SS 2022

DENISE REDL UND ALEKSANDAR KLOPIĆ

Based on movie "spirited away", a girl named Chihiro travels into a magical world where she discovers the bathhouse of the witch Yubaba. Facing the fears of strange world and overcoming the same, she inspires the idea of creating a house where the "bottom" meets "top".

By Mystery House Design Course comes to creation of bathhouse that follows the vertical hierarchy of the story's bathhouse, creating an interesting sequence of rooms through stacking - (such as by playing the game Jenga). Building site is located at Wienerwald, searching for a place near the water-source that could be used. The witch Yubaba is the owner of bathhouse and allows guests to spend a whole day in it. All rooms from the very bottom to the top, which is her area, can be experienced.
